

## K. O. Couch Leadership Recipients 2010-2011 School Year

The K.O. Couch Award is named for RDA's first director, who served the school with distinction from its inception in 1969 until his retirement in 1980. It is normally awarded to one outstanding female senior and one outstanding male senior every year. The recipients this year were chosen on the basis of outstanding performance in school-related activities, leadership, and citizenship. Congratulations!
